Just a heads up for now —

Attached are the questions for the record submitted after the SAC hearing held on April 24<sup>th</sup> on EPA's FY14 budget request to Congress. I've highlighted in the attached document the QFRs that are applicable to ORD (mostly on HF) from Senator Reed and Murkowski.

There are a few questions from Senator Reed on the Southeast New England Coastal Watershed Restoration Program which OW is the lead, however, if ORD wants to contribute to these QFR responses, please let me know and I'll coordinate with OW.

The QFRs will be loaded to the database and officially assigned shortly. A formal schedule is also forthcoming. Thanks!

Regards,
